## Understanding the Symbols

-	<i>Non-specialist (i.e. General/Family Practitioner) The "-" symbol appears in the "Specialty" column of the "Alphabetical Listing" and the "Non-Specialist Listing".</i>
^	<i>Non-specialist defined to a specified area of specialty of practice. The "^" symbol appears to the left of the physician's name in the "Alphabetical Listing" and the "Non-Specialist Listing".</i>
L	<i>Life Member The "L" symbol appears to the left of the physician's name in the "Alphabetical Listing" and the "Non-Specialist Listing".</i>
H	<i>Honorary Life Member The "H" symbol appears the left of the physician's name in the "Alphabetical Listing" and the "Non-Specialist Listing".</i>
*	<i>Certificant, College of Family Physicians of Canada with less than 2 years of post graduate training (Physicians with at least 2 years of post graduate training are now recognized as Specialists in the field of "Family Medicine"). The "*" symbol appears the left of the physician's name in the "Alphabetical Listing", "Specialist Listing" and the "Non-Specialist Listing".</i>
**	<i>Certificant, College of Family Physicians of Canada (Emergency Medicine) with less than 2 years of post graduate training (Physicians with at least 2 years of post graduate training are now recognized as Specialists in the field of "Family Medicine (Emergency Medicine)"). The "**" symbol appears the left of the physician's name in the "Alphabetical Listing", "Specialist Listing" and the "Non-Specialist Listing".</i>

## Understanding the Specialty Abbreviations

AN	Anesthesia
ANAP	Anatomical Pathology
CARD	Cardiology
CVTS	Cardiovascular & Thoracic Surgery
CI&A	Clinical Immunology & Allergy
CM	Community Medicine
CPHA	Clinical Pharmacology
CS	Cardiac Surgery
CRIT	Critical Care Medicine
DERM	Dermatology
DRAD	Diagnostic Radiology
EM	Emergency Medicine
ENDO	Endocrinology & Metabolism
FM	Family Medicine
FMEM	Family Medicine (Emergency Medicine)
GE	Gastroenterology
GS	General Surgery
GSO	General Surgical Oncology
GM	Geriatric Medicine
GREI	Gynecologic Reproductive Endocrinology & Infertility
HEMP	Hematological Pathology
HEM	Hematology
ID	Infectious Diseases
IM	Internal Medicine
MFM	Maternal-Fetal Medicine
MBIO	Medical Biochemistry
MGEN	Medical Genetics
MMIC	Medical Microbiology
MONC	Medical Oncology
NEPH	Nephrology

NEUR	Neurology
NP	Neuropathology
NRAD	Neuroradiology
NPM	Neonatal-Perinatal Medicine
NS	Neurosurgery
NUCM	Nuclear Medicine
O&G	Obstetrics & Gynecology
OCCM	Occupational Medicine
OPH	Ophthalmology
ORTH	Orthopedic Surgery
OTO	Otolaryngology - Head and Neck Surgery
PATH	Pathology, General
PED	Pediatrics
PEDC	Pediatric Cardiology
PEDN	Pediatric Neurology
PEM	Pediatric Emergency Medicine
PGE	Pediatric Gastroenterology
PGS	Pediatric General Surgery
PNEP	Pediatric Nephrology
PRES	Pediatric Respiriology
PEDU	Pediatric Urology
PM&R	Physical Medicine & Rehabilitation
PS	Plastic Surgery
PSY	Psychiatry
RADO	Radiation Oncology
RESP	Respirology
RHEU	Rheumatology
TS	Thoracic Surgery
UROL	Urology
VS	Vascular Surgery
