

STANDARDS OF PRACTICE

Medical Services Requiring Accreditation Outside of Hospitals

Under Review: No

Issued By: Council: January 1, 2010

The ***Standards of Practice*** of the College of Physicians & Surgeons of Alberta (“CPSA”) are the **minimum** standards of professional behavior and ethical conduct expected of all regulated members registered in Alberta. Standards of Practice are enforceable under the *Health Professions Act* and will be referenced in the management of complaints and in discipline hearings. CPSA also provides ***Advice to the Profession*** to support the implementation of the Standards of Practice.

1. Outside of hospitals, a regulated member **must** be approved by CPSA in order to [perform](#) or [supervise](#) a diagnostic or treatment procedure that is restricted to facilities [accredited](#) by CPSA.
2. A list of restricted procedures is maintained in CPSA [bylaws](#).
3. A regulated member who performs acupuncture on patients **must** provide satisfactory evidence of training and be approved by the Registrar.
4. A regulated member who performs hair transplantation **must** provide evidence of training and compliance with [infection prevention and control standards](#) and be approved by the Registrar.

Terms used in the Standards of Practice:

- “Regulated member” means any person who is registered or who is required to be registered as a member of this College. The College regulates physicians, surgeons and osteopaths.
- “Must” refers to a mandatory requirement.
- “May” means that the physician may exercise reasonable discretion.
- “Patient” includes, where applicable, the patient’s legal guardian or substitute decision maker.
