Applicant Name: _____
 Street Address: _____

 City: _____
 Telephone Number: (_____) _____
 Email: _____

CPSA Registration Number: _____
 Postal Code: _____
 Fax Number: (_____) _____
 Specialty: _____

PLEASE REVIEW THE REQUIRED EXPERIENCE AND TRAINING:

Active practice refers to performing a minimum of 100 echocardiography cases/year, or in the case of a physician limiting their practice to transesophageal echocardiography (TEE), a minimum of 60 cases/year.

<p>You are a specialist licensed to practice in Alberta and have completed a six (6) month cumulative didactic training program in dedicated echocardiography training facilities recognized and acceptable to the College, and:</p>	
<input type="checkbox"/> Full approval Transthoracic Echocardiography (TTE)	<ul style="list-style-type: none"> Have interpreted at least 450 transthoracic echo (TTE) studies of which 150 TTE cases were directly performed
<input type="checkbox"/> Full approval Transesophageal Echocardiography (TEE)	<ul style="list-style-type: none"> Have full approval for Transthoracic Echocardiography, and Have performed 100 cumulative cases of transesophageal echos (TEE)
<input type="checkbox"/> Full approval Stress Echocardiography	<ul style="list-style-type: none"> Have full approval for Transthoracic Echocardiography, and Have performed 100 cumulative cases of stress echos
<input type="checkbox"/> Full approval Contrast Echocardiography	<ul style="list-style-type: none"> Have full approval for Transthoracic Echocardiography, and Have performed 20 cumulative contrast cases and interpreted 20 cumulative contrast cases
<p>You must provide a letter from the preceptor attesting to competence. Submission of a log book <u>may</u> be requested.</p>	

Criteria used as a guide when reviewing requests for Echocardiography:

- Original training;
- Training program content, including these expectations:
 - ◆ Facility is affiliated with a university,
 - ◆ Facility workload (volume and caseload),
 - ◆ Review of submitted logbook of cases
- Preceptor credentials and details in the letter attesting to satisfaction with the applicant's abilities;
- ****Current guidelines, recommendations and examinations championed by the cardiovascular section of the Canadian Anesthesiologists' Society (CAS), the Canadian Society of Echocardiography (CSE), and the Canadian Cardiovascular Society (CCS).**

PLEASE NOTE: Your program provider must submit documentation to confirm your training and competence before the College can process your application. Please outline training time chronologically in months.
