

Application for Modality Approval Magnetic Resonance Imaging (MRI) General Limited Approval

APPLICANT INFORMATION

Applicant Name: _____
 Street Address: _____

 City: _____
 Telephone Number: (_____) _____
 Email: _____

CPSA Registration Number: _____
 Postal Code: _____
 Fax Number: (____) _____
 Specialty: _____

PLEASE REVIEW THE REQUIRED EXPERIENCE AND TRAINING:

General Limited Approval in MRI

** Limited approval entitles physicians to only interpret MRI studies; not direct an MRI facility*

You are a radiologist licensed to practice in Alberta who has:

1. Completed three (3) months training in an accredited facility acceptable to the College under the supervision of a radiologist fully approved in MRI
2. A letter from the preceptor, attesting to your competence.

PLEASE NOTE: *Your program provider must submit documentation to confirm your training and competence before the College can process your application. Please outline training time chronologically in months.*

TRAINING HISTORY:

FROM (month/year)	TO (month/year)	

EXPERIENCE HISTORY:

DATE FROM (month/year)	TO (month/year)	INSTITUTION

Application for Modality Approval Magnetic Resonance Imaging (MRI) General Limited Approval

Expected Practice Date: _____

**A physician must not provide prescribed health services unless the facility is accredited. (HPA Section 8.1)*

Applicant Signature: _____ Date _____

Please complete and return to:

ATTN: Virginia Perry, Accreditation Assistant, Diagnostic Imaging Accreditation Services
College of Physicians & Surgeons of Alberta by fax: 780-428-2712, by mail:
