LAST REVISED: SEPTEMBER 10, 2020

APPROVED BY COUNCIL: SEPTEMBER 10, 2020

POLICY STATEMENT

Physicians, surgeons and osteopaths in the practice of a specialty discipline who have **not** met the requirements for the General Register for a medical or surgical specialist must:

- 1) Have a **medical degree** from a medical school listed in the World Directory of Medical Schools at the time the candidate completed the program. Otherwise, they must have a Doctor of Osteopathic Medicine degree from a school in the United States, accredited by the American Osteopathic Association Commission on

Osteopathic College Accreditation.

- 2) Have passed the **Medical Council of Canada** Qualifying Exam Part 1 (MCCQE1) or hold the equivalent United States Medical Licensure Examinations (USMLE).
- 3) Demonstrate [English language proficiency](#), if applicable.
- 4) Submit a satisfactory [criminal record check](#).
- 5) Demonstrate **currency of practice**. This includes evidence of having been in discipline-specific postgraduate training or discipline-specific independent practice within the last three years.
- 6) Obtain an [AHS sponsorship letter](#).
- 7) Pass a [Practice Readiness Assessment \(PRA\)](#), comprised of the **Preliminary Clinical Assessment** and a **Supervised Practice Assessment**.
- 8) Meet discipline-appropriate post-graduate training and certification requirements. The requirements for specialties and subspecialties are outlined below.
 - a. **Specialty** – The physicians must have at least 48 months of discipline-specific postgraduate specialty training. Both the training and certification process must be substantively equivalent to that required by the Royal College of Physicians and Surgeons of Canada (RCPSC). They must be able to produce a verifiable document of completion of discipline-specific specialist training and certification.
 - b. **Subspecialty** – The physician must provide evidence that they have successfully completed discipline-specific postgraduate training and have achieved specialty certification in the primary specialty. Both the training and the certification process must be substantively equivalent to that required by the RCPSC. The physician must also provide evidence they have successfully completed subspecialty postgraduate training and certification.

Physicians who don't meet the requirements for the Provisional Register as a specialist may be eligible for registration on the Provisional Register as a non-specialist. Applicants must have:

- 1) Successfully completed at least 36 months of discipline-specific PGT training; and
- 2) Achieved specialty certification recognized by another medical regulatory authority; and
- 3) Fulfil all the other criteria of the Provisional Register Conditional Practice
