

As an employer, CPSA has an obligation to ensure a safe workplace and has implemented a [Contractor Vaccination Policy](#) ("policy") requiring all contractors and their employees be fully vaccinated against COVID-19 **by Jan. 4, 2022**, where the contractor is:

- ✓ providing services or attending work at a CPSA workplace, or
- ✓ providing services or attending work at third party locations where there is work or service provided on behalf of CPSA

As part of the policy, contractors are required to complete this attestation form.

In accordance with CPSA's Contractor Vaccination for COVID-19 policy and acting on behalf of the organization named below, the undersigned attest that:

1. I/we have read the policy in full, in particular Section 6.0 (Application).
2. I/we acting as a representative of the organization named below, agree to abide by the policy.
3. I/we agree that any of our employees/subcontractors assigned by my organization to perform work for CPSA or on behalf of CPSA, in accordance with the policy are fully vaccinated against COVID-19.
4. I/we authorize CPSA and its designated representatives to collect and use information as permitted by the [Personal Information Privacy Act \(PIPA\)](#) and [CPSA's Privacy & Confidential Information Policy](#).

Contractor Name: _____

Service/work Description: _____

Date: _____

Print Name: _____
