Project Timeline

Question	Response
<p>It was stated "Within 1 year of award date, projects will be initiated" in the Request for Proposal. How will the actual start date of the project be determined and by whom?</p>	<p>Formal agreement will be executed between CPSA and the successful applicant(s) from June 1 to June 9, 2023. Projects must be initiated within one year of the formal agreement signed.</p>
<p>What is the policy regarding changes to the timeline or work plan during the grant period?</p>	<p>Successful applicants will be responsible for reporting to CPSA by December 31 of each year they are in receipt of funding.</p> <p>You should highlight any changes to the timeline or work plan at a minimum once a year when you report your project progress to CPSA.</p>
