

Non-Hospital Surgical Facility (NHSF) Physician Assessor, Ophthalmic Surgery

About you

Are you a physician with a passion for patient safety? Are you a self-starter with a quality-first mindset looking for an exciting opportunity in healthcare regulation?

If so, consider working with the College of Physicians & Surgeons of Alberta's (CPSA) accreditation team as an NHSF Ophthalmic Surgery Accreditation Assessor. CPSA Physician Assessors serve as key team members in ensuring compliance with NHSF accreditation standards and processes.

This opportunity is a hybrid casual position on a contract basis with a combination of desk audit work, completed remotely from any location, and on-site assessments conducted in-person at NHSFs across Alberta. Please note, all CPSA assessors are contract positions and not employment opportunities.

Qualifications:

- Current CPSA licensure with practice designation of **Ophthalmology**
- At least 5 years of experience in both hospital and non-hospital surgical environments
- Familiarity with Quality Management Systems framework
- Experience with the requirements for perioperative staff and patient safety, as well as infection prevention/control methods
- Works well with people and a strong communicator
- Familiarity with different healthcare assessment models
- Access to cell phone and personal computer with current MS compatible software and security capability

Duties:

- Review CPSA assessor resources, complete assessor training and observe CPSA assessments in Alberta NHSFs
- Work within a CPSA team to perform on-site assessments of assigned facilities and assist in gathering data to compile a final report

Time commitment:

- Approximately 10 - 16 days per year
- Casual position on a contract basis with annual renewal
- Scheduling of on-site assessments reflect assessor availability

Remuneration:

- Hourly rates for pre/on-site/post assessment work
- Hourly rates for travel time
- Reimbursement of accommodations, flights, taxi, parking etc.
- Mileage and meals compensation
