* Effective September 22, 2025, CPSA designated all Family Medicine physicians and General Practitioners, who were previously identified as Non-specialists, as Specialists in Family Medicine. 2025's significant net increase in Specialists and net decrease of Non-specialists is a function of the reporting change, but does not reflect the change in the actual number of physicians registered. 2025's remaining Non-specialists are in the process of being reviewed before their designation change to Specialist.
